To all members of Scouting in Bexley

As we move forward into the new District we will need a new District badge.

The Transitional Executive viewed a number of proposals and came up with a short list of two for the

membership to vote on.

Option A (the Stag) is taken from the armorial bearings of the Borough of Bexley. Historically the stag was part of the coat of arms that belonged to a family of land owners that lived in the Bexley Borough.

Option B (the shield) is the Bexley Borough coat of arms. The tree is the Danson Oak, the cog wheel signifies industry within the borough and the wavy blue and white lines are the rivers Thames, Shuttle & Cray.

Please ask your young and adult members to vote either option A or B. Collate the number of responses for your whole Group, if you belong to one, and ask your GSL/Leader in charge to forward the result to me by e-mail.

If you do not belong to a group, or your vote is not being counted within a group return, please respond to me directly and I will count the single votes.

Please return your vote result to me by Saturday the 8th of October.

If you know of anyone who has not received this e-mail please forward it to them or make them aware of the options.

If you have received this e-mail in error please let me know and I will delete your name from the mailing list.
